

tRIIO care for life Children's colouring competition

If you know a young budding artist, you could be in with a chance of winning a family break to Center Parcs!

We'd like a child related to someone at tRIIO to help us to design a new logo for our Care for Life (CFL) programme.

What is care for life?

- Caring for one another and demonstrating that care on a daily basis
- Everyone going home safely every day
- Taking responsibility for your own health and safety and those who work with and around you
- Being proactive and asking questions such as: what dangerous things can happen to me on this job/task and what preventive actions will I take?
- An attitude of choosing to follow the rules and procedures (versus having to follow them)
- Speaking up and expressing your concern when you see something unsafe

What to draw?

1. What CFL is
2. Why it is important you look after yourself and the people you work with
3. The importance that everybody gets home safe each and every day

Use the space below for your drawing, make it as colourful as you can!
